swim	swam	swum
take	took	taken
tear	tore	torn
throw	threw	thrown
wake	woke	woken
wear	wore	worn
weave	wove	woven
write	wrote	written

* regular form (+ -ed) also possible.

Some of the verbs in our table are merely prefixed forms of an irregular verb. Thus, if you learn only a single irregular verb, you can be certain that any other prefixed variant on that verb is irregular in the exact same manner. Look at the following examples:

bid - forbid
cast - broadcast - forecast
go - forego - undergo
get - forget
stand - understand - withstand
tell - foretell
take - overtake - undertake

The trend, in English, and especially in American English, is to standardize the irregular verbs. We do not foresee all the irregular verbs ever being standardized, but some of the more minor variations in less commonly used words will probably disappear in the next generation or two.

The following English irregular verbs are now obsolete and use the standard past and participle forms (-ed).

infinitive	simple past	past participle
Burn	burnt	burnt
dream	dreamt	dreamt
Learn	learnt	learnt
