

Assoc. Prof. Dr. Andrei PANU

Web Development Foundations

Organizational Matters

Personal website

profs.info.uaic.ro/andrei.panu/

A white, curved, abstract line starts from the top left corner and curves downwards and to the right, ending near the top of the page.

Course website

edu.info.uaic.ro/web-development-foundations/

A white, thin, curved line starts from the top left corner and curves downwards and to the right, ending near the center of the slide.

Addressed topics

Evaluation

3 components (TR | P)

2 evaluated during the semester (TR, I)

1 evaluated in the examination session (P)

Evaluation

Technical Report (TR)

requirements, interface, Web interaction

15% of the final score
evaluated in the 8th week
will not be reevaluated

Evaluation

Interface Prototype (I)

working solution in HTML + CSS

15% of the final score
evaluated in the 13th week
will not be reevaluated

Evaluation

Project (P)

oral examination based on a **practical project** and
the **concepts taught**

evaluated in the examination session
can be reevaluated (with a reduced score)

Evaluation

Project (P)

working solution + demo

any open technology
frameworks are not allowed
developed individually

Evaluation

Final score:

$$FS = 15\% * TR + 15\% * I + 70\% * P$$

Winning condition (pass):

$$P \geq 5 \text{ and } FS \geq 5$$

Evaluation

The final grade can be increased
by taking a written test
in the reexamination session

This applies to students who pass
in the examination session

A white, curved line starts from the top left corner and extends downwards and to the right, ending near the center of the slide.

Evaluation

More details about the examination and the project are available on the course's website
